

ARCHISMAN SOM

PROFILE

I work as a freelance tutor. I hold a Bachelor's degree in Science (Maulana Azad College, University of Calcutta).

Gender: Male
Nationality: Indian
Marital Status: Single
Languages: English, Hindi, Bengali
Hobbies: Ukulele, pencil-sketch

Since I was young, I have always enjoyed to solve sudoku and puzzles. So that's how I look at big data sets, to me it is one big puzzle I want to solve. Finding patterns nobody else sees is the challenge to me. I have the ability to translate complex questions into understandable insights.

We want to work together. Please reach out to me by e-mail or phone number.
